Step#1

Narendra Modi will not personally build a Jail in Delhi. He will not carry the bricks, put water etc. No. He will handover the task of building the Jail to somebody in his Govt. Similarly Krishna has to build a Jail (Material world). But he is not interested at all. He is Lila Purushottama -- he is 24x7 busy in his pastimes.

So what will he do then? He expands himself as Mahavishnu to create and maintain the Material world.

Step#2

Maha-Vishnu desiring to create material world glances at Ramadevi who then expands as Maya (Durga). Maha-vishnu then glances at Maya and impregnates living entities like us. That's all he does. He just glances. He does not TOUCH her. Just like Modi does not want to touch bricks to build a Jail.
