I miss you

1. I cannot give results of work to Krishna - Karmanyeva Adhikaraste Ma Phaleshu Kadachana - Phala is not coming due to us ALONE - he is not asking for mofat - he WORKED FOR IT as much as you did
2. I am too busy with work - if KRISHNA removes the memory chip you will be FIRED in a day
3. I have my family life - many things to do. WHERE DID YOU GO? In a day your family will be GONE
4. My children are my life. My children are Vrindavan for me
5. Work is Worship - Mai tho yahi maanta hoon. Apna Kaam karo, kisi ko dukh mat do
6. Bhagavan toh sab Jagah hai - Mandir me aana, Jap karna kya zarurat hai?
7. Bhakti man so hoti hai

Where does memory come from Brain or Krishna.

- Brain is hardware and Mind is software - both powered by the Sweet Lord.
- Jivanam sarva bhuteshu.
- Your self, Your Spouse and Your Children all can become zero in a moment if Krishna takes away memory. Don't prioritize them over the Lord, connect them with the Lord.
- Don't take shelter of office work, children classes and exams.
- Bharat Maharajas brain was left behind but he still remembered his past life in a Deer body. It is not the brain or mind - it is the Lord.
- When will you realize you cannot ignore him.

If I forget Krishna, I will forget Myself - WRITE ON A PAPER AND STICK IN YOUR HOME
